

Dear customer,

We are proud to inform you that we have renewed our *IFS Food* certification, with the highest existing rating: **Higher Level**, for the 5<sup>th</sup> consecutive year. We have increased our success rate to 98.38% this year, which shows an improvement in compliance with the various requirements of the abovementioned standard.

*IFS Food - International Feature Standards* is a Quality and Food Safety standard recognised worldwide for auditing food manufacturers. This certification has been awarded to petMaxi since 2017, and has been renewed annually, reinforcing our continued commitment to the Quality of our entire production process and daily working practices under strict internationally recognised standards.

We proudly attach this year's certificate.

Best regards.
